Spring Brook Meadows

Welcome to one of High Point's premier affordable housing community for seniors. It is a small apartment community located on Granville Street in southwest High Point.

The property has been carefully designed with the important things in mind - convenience, comfort and affordability.

Spring Brook Meadows features 44 duplex style one and two bedroom villas. Each dwelling offers its own entrance and porch. All have individual bedrooms,

bedrooms, living/dining areas, modern kitchens with dishwashers and central air conditioning.

The beautiful community building offers a resident library and computer center, on-site management office, coin-operated laundry and additional storage.

If you are age 62 or older, you can make this attractive community your home. One need not be wealthy to live at Spring Brook Meadows Senior Villas since income restrictions apply. For more details or if you have questions on leasing availability please contact our property manager at the following:
