

Spring Brook Meadows Senior Villas

Welcome to High Point's newest affordable housing community for seniors. Spring Brook Meadows is a newly constructed small apartment community located on Granville Street in southwest High Point.

The property has been carefully designed with the important things in mind – convenience, comfort, and affordability.

Spring Brook Meadows features 44 duplex style one and two bedroom villas. Each dwelling offers its own entrance and porch. All have individual bedrooms, living/dining areas, modern

kitchens with dishwashers, and central air conditioning.

The beautiful community building offers a resident library and computer center, on-site management office, coin-operated laundry, and additional storage space.

If you are age 62 or older, you can make this attractive new community your address. One need not be wealthy to live at Spring Brook Meadows Senior Villas since income restrictions apply. For more details or if you have questions on leasing availability, please contact our property manager at (336) 431-3000 or visit our management office at the corner of Granville Street and Spring Brook Circle.
