

The Terrace at Rocky Knoll

“Smoke Free Facility”

For Seniors and Small Families

The Terrace at Rocky Knoll is a recently built beautiful, energy efficient one-bedroom and two-bedroom affordable housing development for individuals, seniors or small families that was designed for comfort and convenience. It is located just off of South Randleman Road on Rocky Knoll Road with close proximity to shopping, services, banking, restaurants, churches and major highways.

All of the 48 units offer ground-level, non-ambulatory access with Energy Star HVAC systems as well as personal patio space, living and dining areas along with a fully equipped kitchen including range, refrigerator, dishwasher, garbage disposal and washer/dryer connections.

The property features a beautiful community building with on-site management office, tastefully decorated activity room, resident computer center and a communal laundry facility. Outdoor seating, a playground, picnic area, raised garden beds and generous landscaping adorns the property's exterior.

Applicants must be income eligible and the property does accept Section 8 vouchers

Please contact the On-Site office for an application and to be added to the Waiting List
